WHAT MAKES HANWORTH

Beyond Compare

Hanworth House is the perfect venue for any function where you want to surprise and delight your guests. It is a gorgeous space steeped in history that has so much character to add to your special day. Once you hire the space - it's yours. We will never double-book, which means the whole venue is yours to enjoy. Hiring this venue gives you the freedom to be creative, as we give you the flexibility to tailor your options to suit your needs. As we ourselves are a small business, we use other local businesses as our vendors and will always recommend partners we trust to ensure you have the best experience possible.

No two events are ever the same, but one thing is - the awe of everyone who comes through our doors at the beauty of Hanworth. The House has been restored with so much love and care, making it is a truly unique space that you will not find anywhere else.
